## From the Desk of The Commander

By: John M. Burden

Greetings Fellow DAV Comrades,

First and foremost, I send thanks and gratitude to all my fellow DAV and Auxiliary members for their outpouring of assistance and support, to myself and my family, surrounding the sudden loss of my wife, Patricia, who was also serving as the Senior Vice Commander of the DAV State Auxiliary. Thanks to those who assisted my family during the church service and special thanks to Auxiliary Unit 20 and Unit 24 for hosting our reception at Chapter 20 in Glendale. Your thoughtful and flawless actions eliminated much anxiety for my family and will be long remembered.

We continue to forge ahead in refining programs and service to our needy veterans across the State. Sr Vice Commander Hohman, in his capacity as Service Commissioner, has formulated a State-wide review of our Transportation System. All assets, requirements and capabilities are being reviewed and modified to better service patient needs. We have ordered 5 new vehicles this year and project ordering 6 additional vehicles next year. A rolling replacement matrix has been developed to ensure we have reliable vehicles on the road.

We continue to refine our services to needy veterans who may be less fortunate than ourselves.

## IN THIS ISSUE

*UP TO Date  
INFORMATION ON THE  
DEPARTMENT  
CONVENTION*

In launching our DAV Department of Arizona Newsletter, we had hoped this avenue would strengthen our lines of communication up, down and laterally. Unfortunately, it appears we have not attained that objective. As I attend Chapter Meetings and ask folks for feedback, I hear the newsletter has never been mentioned by Chapter Commanders or Executive Board members. The Newsletter is easily accessed at [www.azdav.com](http://www.azdav.com) We will continue to produce this electronic product on a quarterly basis. In addition to articles by our Line Officers we will always have room for input from any of the Chapters. This venue is a great way to advertise Chapter activities and events. There will be attachments and links to other web sites as we continue to expand the information we provide to our members.

Personnel changes continue. I have appointed Jim Ellis from Chapter 8 as our State Inspector (approved by SEC vote).

Ritual teams have been reactivated in the Northern and Southern District. "There is no needier veteran than one who should be laid to rest properly". Eric Jackson / Chapter 26, **520-586-8575**, has been appointed Ritual Team Commander for the Southern District. Interested people in the South please contact Eric for more info. Glenn Coopey / Chapter 16, **480-332-5760**, has been appointed as Ritual Team Commander for the Northern District. Interested people in the North please contact Glenn for more info. The two Ritual Team Commanders are busy recruiting members and conducting inventories of equipment.

Looking toward the future, the following actions have been initiated. A new committee has been appointed to envision where you want the organization to be and who do you desire to be leading it in three to five years. Committee name: "Strike Force" (formerly "Strategic Planning Committee"); members: Kevin Karvinen, Chap 4, James Ellis, Chap 8, Kevin Dumas, Chap 18, Amtheyst Baker, Unit 18, Kevin Cooper, Chap 20. Feel free to submit ideas to any of these members.

A State Legislative Liaison team has been appointed to keep us abreast of updates affecting veterans at the State Capital. Members are Mike Crowe, Chap 8 and Tim Kendrick, Chap 24. Mike and Tim will be in the gallery to observe who supports or opposes bills affecting veterans. They will report results through this newsletter.

We have been a little slow putting the "Strike Force" and the State Legislative team into action. I accept full responsibility for this delay and will correct this issue very soon.

I am seeking someone willing to discuss the position of "Director of Communications" for Public Information. This would involve interface with local media outlets and community leaders. If you may have an interest in this area contact me for further discussion.

We will continue to emphasize the important function our Service Officers perform, increased interaction with our Auxiliary Units and sound fiduciary responsibility. I look forward to serving you as we move our organization into the future.

"Nobody can do everything, but, everybody can do something".

## **ADJUTANT**

It is hard to believe that we are almost at the end of another Fiscal Year.

As you know our Department Convention this year will be held at the Sheraton Tucson Hotel from June 6th through the 9th.

This is the time when we want to thank our Outstanding Volunteers for the work that they do everyday to help Veterans with claims, support Chapter Fundraising, and participate in events that reach out to the Disabled Veterans in the Community. If you have an outstanding volunteer in your chapter please nominate them for an award. Nominations are due into Department by April 1st. The Committee will meet to review these nominations on April 10th, so please submit your nominations ASAP.

I cannot stress the importance of recording your volunteer hours on LVAP forms and submitting them to department each month. These hours are recorded at National and give recognition to the amount of hard work that is being done in Arizona. So please report those hours. The LVAP Form is available on our website at azdav.com here <http://azdav.com/forms-for-download.html>

If you would like to run for a Department Officer Position please submit a letter of intent to Department by the middle of May so that we can be sure the Nomination Committee receives your letter. Also you will need to contact each chapter and do a little bit of politicking.

*See you all at Convention.*

***Glenn Hohman***  
***Sr. Vice Commander***

It is spring, and with spring comes baseball, some great college basketball, and some spring cleaning. It also means a couple things for the DAV. Not only did we just finish a 2<sup>nd</sup> Annual DAV National “Forward March” Campaign (<https://www.dav.org/forwardmarch>), but April brings Volunteer Appreciation Month.

As an organization, we are extremely lucky to have volunteers that contribute so much to assistance our fellow Veterans. With hundreds of volunteers contributing for the DAV here in Arizona alone, I want to personally thank each of you for the level of dedication and support you bring to your volunteer positions. As officers and members of great Chapter teams, please make sure you thank and congratulate your volunteers during this special month.

Another thing that happens in the spring for the DAV is we look for officers to fill our Chapter and state positions. The need to coordinate efforts, be fiduciaries for our Chapters and help propel the Chapters forward on their day to day missions is a critical and crucial part of our success each year. However, in order to find these special volunteers, we need to help explain what these positions are and what is expected of each of them. The best way to do this is through the documents that comprise each position. Your Chapter bylaws and a booklet from National should explain most, if not all the duties and expectations. Here is a link to the Chapter Officer Guide: (<https://www.dav.org/wp-content/uploads/ChapterOfficerGuide.pdf>).

As each of you work to complete your individual and corporate goals for you and your Chapters, I want to once again thank you for your much appreciated contributions. I look forward to seeing you in June at our convention in Tucson. I have learned a great deal about our Department and each of our Chapters this year, and hope to put that knowledge to good use as I announce my candidacy for my current position of Department Senior Vice Commander for the 2018-2019 year. We have an incredible team I’m honored to be part of.

***Kevin Cooper***  
***Jr. Vice Commander***

Wow, as we start the spring of 2018, a lot have been going on. Membership is going well, and just a reminder on the membership program that we are working on is if the part time member owes over \$100.00 and the chapters pays \$20.00 then the department will pay \$20.00, provided the member pay the rest. This is a benefit to the chapter and Department at the end of the year. Keep in mind that the paperwork for membership needs to go thru the department, not on line.

Just as a reminder the Convention this Year will be held at the Sheraton Tucson  
Follow this link for more information and Hotel reservations <http://azdav.com/dav-department-convention.html>.

Hotel Reservations MUST be made by April 25<sup>th</sup>. If you have a problem making a reservation please contact Mary at the department.

Ad's for the Convention Book must be submitted by May 1<sup>st</sup>. Internal Pages are 200.00 / Cover pages are 250.00.

Banquet tickets and early registration are due April 15<sup>th</sup>. Take advantage of the \$10.00 Discount and register early. Banquet tickets this year are \$45.00 and Registration is \$25.00. If you wait to register your total for Banquet and registration is \$70.00. Register early and pay \$60.00.

No Banquet tickets will be sold at convention. If you choose to pay for your banquet tickets at Convention you must let me know by April 15 how many tickets you want and your choice of entrée.

Award nominations are due into Department on April 1<sup>st</sup>. This is necessary to give the committee time to review the nominations and order the awards in time for convention

I want to thank everyone for their support in allowing me the honor of serving as the Jr. Vice Commander. I will be running for this position again and I hope for your continued support.

***Paul Soderquist  
Chaplain***

I feel some rising discord in society today. I feel it when I watch the news. And I hear it sometimes when I engage in conversations with those who share differing political viewpoints.

In our Pledge of Allegiance, we have the timeless wisdom found in the words, "... one nation under God, indivisible ..." I love those words. One Nation Under God Indivisible.

Have you ever noticed there is no comma after "one nation"? It simply reads "one nation under God, indivisible."

You probably already know the pledge didn't originally include the words "under God." Those two words were added by Congress in 1954 under the urging of our 34th President, Dwight D. Eisenhower.

Back in my home town in Iowa, the Dinner Date bunch gathers every weekday. As they gather before the meal, they stand and recite the pledge. And they take great care to say the words "one nation under God" without pause.

My hope is that all Americans, all Arizonans, and all veterans can take greater care to live out the words of the Pledge: "... one nation under God, indivisible." We are not many nations, but one. And we claim and assert to be indivisible. Even though we all come from various places. We have a variety of religious creeds, and skin colors, and stations in life. Together, we work to become indivisible. We may hold viewpoints which differ from our neighbor. We may disagree on important matters. But we should be able to check our emotions and motives, and maintain a baseline of dignity and respect for one another even during disagreement.

It takes intention to live out these words of the pledge. It takes determination. It takes faith. Faith in God, by whatever name or creed God may be known. We are all, every one of us, Americans, sharing the rich resources of our land and people. By our individual actions, beliefs, and voices, together we can become, more and more, "one nation under God, indivisible."

Shirley Kosisky has fallen again and is in Rehab/Assisted Living please keep her in your thoughts and prayers.

## **Chapter 36 takes to the desert.**

Early in March, 20 Veterans went to a secluded 80 acre ranch that belongs to Juan Cordva. Chapter 36 bought 10 pounds of Carnie Asada,  $\frac{1}{2}$  chicken and  $\frac{1}{2}$  beef. Juan not only owns the ranch but is also a cook for hire! His place is like stepping back in time. Juan himself is an old cowboy tough as rawhide. We had a wonderful time checking out his cattle, horses, donkeys, chickens and dogs. Not to mention anything else crawling around. It was a great layout which he uses for entertaining large groups that want to get away from it all.

Everyone had lots of fun trying to outdo each other with their stories, catching up on what has been going on in others lives and coming up with ideas on how we can do something a little better. In between eating chips, dip and salsa for the first couple of hours, some of the Vets would take walks in the desert and marvel at how quite it was.

At that point Juan began to cook and the smell of Carnie Asada cooking in the desert air is almost more than most can bear! But if you think the smell is good you ought to have heard the silence when it was served along with some fresh cooked beans and tortillas warmed over the fire to perfect brown. When it was time to say our goodbyes, all agreed that it had been a day for all to remember! Way to short, but a grand time! We were revived once again, and ready to start “fulfilling our promises to the

Men and Women

who served!”
